ZOEE IS A RAT TERRIER, POMERANIAN MIX

Wisdom Panel® is a unique DNA test that allows shelters to identify the different breeds in a mixed-breed dog. Below is the unique ancestry chart specifically for Zoee. Check out the back side of this page for more specifics on Zoee and the breeds that we found.

POMERANIAN

The Wisdom Panel® test currently identifies purebred ancestors within the last three generations. If the test finds an ancestor that is not purebred, it is indicated with this “Mixed Breed” tag. It is common to find dogs with highly mixed ancestry in the United States.
